

Call for Papers / Abstracts

The Sixth Vienna Workshop on High-Dimensional Times Series in Macroeconomics and Finance, hosted by the Institute for Advanced Studies, will take place on May 16 - 17, 2024.

As with previous workshops, a special focus will be on cross-fertilization from approaches in other areas of application.

<https://www.ihs.ac.at/events/conference-series/time-series-workshops/time-series-workshop-2024/>

Invited Speakers

Matteo Barigozzi (Università di Bologna), Matteo Ciccarelli (European Central Bank), Siegfried Hörmann (Graz University of Technology), Michael McCracken (Federal Reserve Bank of St. Louis), and Ingmar Prucha (University of Maryland).

Submission of Papers and Deadlines

The goal of this conference is to exchange ideas and to discuss recent results in the analysis of high-dimensional time series. Online submission of an abstract is possible through the conference management system *Conftool* and must be received by 15 February 2024. Acceptance decisions will be communicated by 15 March 2024.
