

CALL FOR APPLICATIONS: Funding for workshops

The Society for the Advancement of Behavioral Economics ([SABE](https://sabeconomics.org)) is happy to announce that we will devote USD 5,000 to fund workshops on behavioral economics, to be held in 2018.

Proposals (2-3 pages) should include:

- Organizers and host institution
- Tentative guest speakers
- Dates, venue, etc.
- Amount of money requested and rationale (SABE will fund no more than USD 3,000 per workshop)
- Specify if there are activities that will benefit PhD students

Timeline of the call:

- Proposals should be submitted to workshops@sabeconomics.org no later than September 30
- Successful applicants will be contacted no later than November 15

For informal inquiries, please also use the above email.
