

101st Annual Meeting of the Association of Austrian Economists (NOeG)

Department of Economics, University of Graz

April 25th -26th 2019

The Department of Economics at University of Graz will host the 2019 Annual Meeting of the NOeG on April 25th-26th in Graz.

„Digital Transformation“

Digitalization has changed from a technical to a social phenomenon that affects many aspects of modern economies and societies. Improved information availability and processing capacities have fueled structural change that is comparable to changes during the industrial revolution. We will discuss these changes as far as we see and understand them already at our Annual Meeting 2019 in Graz

Keynote Speakers

Catherine Tucker

MIT Sloan School of Management

Willem Pieter De Groen

Centre for European Policy Studies

Paper Submission

We invite papers on the conference topic as well as all other fields of economics via <https://noeg-2019.uni-graz.at> to be uploaded between November 1st and January 15th. Notification regarding acceptance will be sent out by February 15th 2019.

Session Submission

We invite whole sessions (four papers related to a common topic) to be submitted. We thereby aim at enhancing discussion during the meeting and become more attractive for fields not participating so far. Sessions can be upload between November 1st and December 1st.

Registration

Please register at <https://noeg-2019.uni-graz.at> by March 31st. The conference fee amounts to EUR 100 (bank transfer) and is waived for NOeG members (membership is EUR 55 per year – see <http://www.noeg.ac.at>).
