

Call for Papers / Abstracts

The Seventh Vienna Workshop on High-Dimensional Times Series in Macroeconomics and Finance, hosted by the Institute for Advanced Studies, will take place on May 28 - 29, 2026. As with previous editions, a special focus will be on cross-fertilization from approaches in other areas of application.

For further information, please visit our website:

<https://www.ihs.ac.at/current/events/conference-series/time-series-workshops/time-series-workshop-2026/>

Invited Speakers

Roberto Casarin (Ca' Foscari University of Venice), Domenico Giannone (Johns Hopkins University), Serena Ng (Columbia University), and Melanie Schienle (Karlsruhe Institute of Technology)

Submission of Papers and Deadlines

The goal of this conference is to exchange ideas and to discuss recent results in the analysis of high-dimensional time series. Online submission of an abstract is possible through the conference management system *Conftool* and must be received by 15 February 2026. Acceptance decisions will be communicated by 31 March 2026.
