

The University of Klagenfurt, with approximately 1,500 employees and over 12,000 students, is located in the Alps-Adriatic region and consistently achieves excellent placements in rankings. The motto “per aspera ad astra” underscores our firm commitment to the pursuit of excellence in all activities in research, teaching and university management. The principles of equality, diversity, health, sustainability and compatibility of work and family life serve as the foundation for our work at the university.

The University of Klagenfurt is pleased to announce the following open position at the **Department of Economics, Quantitative Economics Division (QED, Head: Prof. Martin Wagner)**, at the Faculty of Management and Economics, to commence at the earliest opportunity:

POST-DOC RESEARCHER
(all genders welcome)

Level of employment:	100%
Gross minimum salary	€ 55,243.00 p.a. € 3,945.90 p.m. (14 times a year)
Classification as per collective agreement:	B1 lit. b
Limited to:	3 years (36 months)
Application deadline:	applications will be reviewed on an on-going basis until the position is filled
Reference code:	Weave_MW_post/21

Tasks and Responsibilities:

The Quantitative Economics Division of the Department of Economics has a clear focus on high-quality research and is active in a variety of topics in economics, econometrics and quantitative economics. The research group has close cooperation with the Bank of Slovenia and the European System of Central Banks

The position is **strictly in relation** to conducting research as laid out in the project “**GLASS - Global Augmented State Space Error Correction Model**”, a research project conducted jointly at the universities of Klagenfurt and Bielefeld and co-funded by the Austrian Science Fund (FWF) and the German Research Foundation (DFG).

For more details contact Prof. Martin Wagner (martin.wagner@aau.at).

Prerequisites for the appointment:

- completed doctoral studies with excellent performance in economics (with a mathematical or quantitative focus) or a related relevant field (e.g. econometrics, mathematics, statistics or similar)
- excellent knowledge in econometric and/or statistical theory and/or system theory

Additional desired qualifications:

- first research experiences in econometrics, quantitative economics or similar fields (e.g., system theory)
- doctoral thesis in an econometrics-related topic

- first published research results available, preferably in the form of peer-reviewed publications (at least revise and resubmit status)
- interest in an academic career in economics, econometrics or quantitative economics
- interest in working in a highly productive work environment, strong performance orientation and commitment, organizational skills
- very good knowledge of German (level C1-C2)
- very good knowledge of English (level C1-C2)
- good software and programming skills, e.g. Matlab, R, EViews or similar

Our offer:

The employment contract is concluded with a starting salary of **3,945.90** gross per month (14 times a year).

The University of Klagenfurt also offers:

- Personal and professional advanced training courses, management and career coaching
- Numerous attractive additional benefits, see also jobs.aau.at/en/the-university-as-employer/
- Diversity- and family-friendly university culture
- The opportunity to live and work in the attractive Alps-Adriatic region with a wide range of leisure activities in culture, nature and sports

The application process:

If you are interested in this position, please apply in German or English providing the usual documents:

- Motivation letter
- Curriculum vitae
- Proof of all completed higher education programmes (certificates, supplements, if applicable)
- Letter(s) of recommendation
- Other documentary evidence that may be relevant to this announcement (see prerequisites and desired qualifications) - proof that they meet the required qualifications must be furnished **three weeks prior to the actual starting date** at the latest.

Send your application by email to vw12@aau.at.

In the context of responding to the pandemic, the University of Klagenfurt attaches particular importance to the willingness of its members to be vaccinated. The formation and continuation of the employment relationship advertised here are subject to proof of up-to-date and valid 2G compliance (2G = vaccinated or recovered) (see – in German only - Covid 19 Supplement to the House and Use Regulations, section 2 and section 5 subsection 4 respectively).

For further information on this specific vacancy, please contact Prof. Martin Wagner (martin.wagner@aau.at) or Christina Kopetzky (vw12@aau.at). General information about the university as an employer can be found at jobs.aau.at/en/the-university-as-employer/.

The University of Klagenfurt aims to increase the proportion of women and therefore specifically invites qualified women to apply for the position. People with disabilities or chronic diseases, who fulfil the requirements, are particularly encouraged to apply.

Travel and accommodation costs incurred during the application process will not be refunded.
